## **BLACKWOLF COPPER AND GOLD ANNOUNCES FLOW-THROUGH NON-BROKERED PRIVATE PLACEMENT**

**August 9, 2022, Vancouver, BC** – Blackwolf Copper and Gold Ltd. (“**Blackwolf**” or the “**Company**”) (TSXV: BWCG) (OTC: BWCGF) announces that it has completed a non-brokered private placement (the “**Offering**”) selling 333,360 flow-through shares (the “**Flow Through Shares**”) at price of \$0.45 per Flow Through Share for aggregate gross proceeds of \$150,012.

The net proceeds of the Offering will be used to fund exploration activities at the Company’s Rooster Property, located northwest of Stewart, BC and Hyder, Alaska.

The Company paid a finder’s fees of \$9,001 and issued 23,335 share purchase warrants (the “**Finder’s Warrants**”) in connection with the Offering. Each Finder’s Warrant is exercisable to acquire one share in the capital of the Company at an exercise price of \$0.45 per share for a period of twelve (12) months following closing of the Offering,

The Offering remains subject to final approval of the TSX Venture Exchange. The securities issued under the Offering are subject to a statutory hold period of four months plus one day.

*This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”) or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.*

### **About Blackwolf Copper and Gold**

Blackwolf’s founding vision is to be an industry leader in transparency, inclusion and innovation. Guided by our Vision and through collaboration with local and Indigenous communities and stakeholders, Blackwolf builds shareholder value through our technical expertise in mineral exploration, engineering and permitting. The Company holds a 100% interest in the high-grade Niblack copper-gold-zinc-silver VMS project, located adjacent to tidewater, as well as the Cantoo, Casey, Texas Creek and Mineral Hill gold-silver and VMS Properties in southeast Alaska and Rooster Property in northwest BC. For more information on Blackwolf, please visit the Company’s website at [www.blackwolfcopperandgold.com](http://www.blackwolfcopperandgold.com).

### Cautionary Note Regarding Forward-Looking Statements:

*This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws, including statements regarding the Offering. Forward-looking statements relate to future events or future performance and reflect the expectations or beliefs of management of the Company regarding future events. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as “intends” or “anticipates”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would” or “occur”. This information and these statements, referred to herein as “forward-looking statements”, are not historical facts, are made as of the date of this news release and include without limitation, statements regarding the Offering (including the payment of finder’s fees and participation of certain directors and officers and use of proceeds) and future business plans. These forward-looking statements involve numerous risks and uncertainties and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things, inability to obtain regulatory approvals of the Offering inability to complete the Offering on the proposed terms or all at, market volatility; the state of the financial markets for the Company’s securities; and changes in the Company’s business plans. In making the forward looking statements in this news release, the Company has applied several material assumptions that the Company believes are reasonable, including without limitation, that the Offering will proceed and be completed as planned, that required regulatory approvals will be obtained and the Company will continue with its stated business objectives. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial out-look that are incorporated by reference herein, except in accordance with applicable securities laws. The Company seeks safe harbor.*

For more information on the Company, investors should review the Company’s continuous disclosure filings that are available at [www.sedar.com](http://www.sedar.com).
